Dear Sir/Madam,
Thank you for the opportunity to comment on the Statewide Transportation Improvement Plan (STIP).
I am in full support of the Lynn Canal Highway project in the STIP.
I ask that you fully fund the project.
It is project whose time has come. It would improve the stagnant economy in Juneau, allow for more ferry service to other communities in Southeast, it would be less to maintain than the ferry system and allow people to drive to their capital.
Again thank you for the opportunity to comment.
Sincerely
John P. McConnochie
